

We Remember Nancy

Nancy Ziegler Sachs died September 3, 2014 and was laid to rest on Monday September 8. She touched the lives of everyone in Unit 124 and District 11, teaching tens of thousands of people how to play bridge well. She was a LEADER in our unit and District,

and an Expert player with substantial tournament success. More than her accomplishments Nancy constantly gave back to this game. She willingly shared her mastery with all at her table. She would answer any question from the newest of players to the most experienced veterans. Her wit and sense of humor always lit up the room.

“Many people will walk in and out of your life, but only true friends will leave footprints in your heart”
— Eleanor Roosevelt

Nancy you have left many footprints in our hearts – we cherish your memory.

Strange patterns often have logical solutions. Their strangeness might distract from the right line. Here's one from Wed Evening at the NKyBC. After 2

passes East can open 1♣ (open the longer of 2 suits) or even 2♣ (3 losers). South with 20 HCP will double 1♣

9/9 – Future Master Leaders

1st OA: Garen Wisner & Steve Simon (55.3%)

2nd OA: Caroline Richards & Lois Jones (51.9%)

Preparing to show 19-21 HCP and a ♣ stopper. West will offer 2♦ (the long suit is safer, though I don't quibble with 1♠) North can now jump to 4♥. East continues with 4♠ showing great playing strength. South raises 5♥ and West raises 5♠. North will pass having shown their hand earlier. East can raise to 6♠ given partner's raise, and 3 losers. 5=8 hands don't need much for 12 tricks. South will lead the ♥K (K from AK at the 5 level or higher *to let partner know when you lead an Ace you are looking for their K*). East will ruff. Now with 10 ♣ cards, the worst that can happen is ♣ split 3-0. Simply draw trumps (they must be 2-2 or 3-1 for 12 tricks to come home) and play on ♣. Here East loses one ♣ and ruffs a third setting up the long suit in hand, making 12 tricks and all the match points. South might double 6♠ on principle. Poor South. Working points, not HCP, matter!

Newcomer News — by Mike “Keeping Fun On My Convention Card” Purcell 513 702 4007

This Saturday we return to 10am Supervised Play. Lorna Davis, Bob Fisk, Nancy Luetge will be running the 10am game. There will also be a special New 2 Bridge (NTB) event from 9-noon in the teaching room.

This week we look at a hand where overtaking from the short hand to the long hand is critical to making the best score.

11 tricks (2♠, 2♥, 2♦, 5♣) for +660.

Board 10 (Tuesday 9/9)

Bidding – West with 24 HCP opens 2♣ (21+ HCP, 22+ Balanced). East with only 6 HCP will bid 2♦ (artificial, waiting bid). West can now show their spade suit with a 2♠ call. East can rebid 3♣ but all roads eventually lead to 3NT by East or West.

Play of the Hand – On a ♥3 lead (fourth best), declarer (West) has 6 winners (2♠, 2♥, 2♦) but can develop the club suit for 5 more tricks with careful play. To be successful, you must win the heart in the West hand preserving the ♥A entry in dummy. Then play ♣K and ♣J overtaking in dummy with the ♣Q and one more club to drive out the Ace. Now you can use the ♥A to return to dummy and run your clubs. In all you can get

Bd 10	Scores		MPs	
	NS	EW	NS	EW
6 NT W	100		5.33	0.67
3 NT E	100		5.33	0.67
3 NT W		660	1.83	4.17
3 NT W		660	1.83	4.17
3 NT W		660	1.83	4.17
3 NT E		660	1.83	4.17
3 NT E		600	1.5	1.5
3 NT W		600	1.5	1.5
3 NT W		600	1.5	1.5

Post Mortem – Sometimes setting up a suit requires you to overtake a trick in the long hand like clubs in this deal. You also need to make sure once you set up a suit you have side entries (♥A) to run your tricks. Careful play at trick one will help you do both of these things.
